ABSTRACT (Capital Font size 11)

A field experiment was conducted…… during *rabi* 2023–24 at th…… …..(Font Size 10, Times of New Roman, Spacing 1.15)

Key words: Potato, physiological age, intra-row spacing, canopy development, haulm yield. (4-6 key words Font Size 10, Times of New Roman, Spacing 1.15, write in running text,)

INTRODUCTION (Capital Font size 11)

Potato (*Solanum tuberosum* L.), popularly known as "*Alloo*" in India,…… (Font Size 10, Times of New Roman, Spacing 1.15)

MATERIAL AND METHODS (Capital Font size 11)

The present investigation entitled "Influence of physiological age and..... (Font Size 10, Times of New Roman, Spacing 1.15)

RESULTS AND DISCUSSION (Capital Font size 11)

Plant emergence at (Nxumalo, 2020)..... (Font Size 10, Times of New Roman, Spacing 1.15) Cite table in text As a (Table 1), Figure as (Fig.1)

Put table and figure within a running text of result and discussion at appropriate place

Figure 1:..... (Should be High resolution) Font Size 10

Table 1: Plant emergence..... Font Size 10

Sr. No.	Treatment	Plant emergence (%)			Plant height (cm)
		15 DAP	22 DAP	30 DAP	

CONCLUSION (Capital Font size 11)

Based on the results (Font Size 10, Times of New Roman, Spacing 1.15)

ACKNOWLEGMENT (Capital Font size 11)

(Font Size 10, Times of New Roman, Spacing 1.15)

AUTHORS' CONTRIBUTIONS

(Font Size 10, Times of New Roman, Spacing 1.15)

Conceptualization of research (Mention Author name Short/full), Designing of the experiment (_____.), contribution of experimental materials (_____), Execution of field experiments and data collection (_____), Analysis of data and interpretation (_____), Preparation of the manuscript (_____).

COMPLIANCE WITH ETHICAL STANDARDS

- **Conflict of interest:** Authors do not have any conflicts of interest to declare.
- **Ethical issues: (If any)/** None

DECLARATION OF GENERATIVE AI AND AI-ASSISTED TECHNOLOGIES

During the preparation of this work, the authors utilized _Write the name of tool if utilize/ otherwise write none. Following the use of these tools, the authors reviewed and edited the generated visual output as necessary and take full responsibility for the final content of the publication.

(Author May be modified, if used tools may give full credit and citation also)

Following Reference style must follow

REFERENCES (Capital Font size 11)

(Font Size 10, Times of New Roman, Spacing 1.15) :

All the Reference style strictly as per standard APA style

- ✓ Authors: Write the surname first, followed by initials (e.g., Gami, R. A.). Include up to 20 authors. For 21 or more, list the first 19, insert an ellipsis (...), and add the final author's name.
- ✓ Title of Work: Capitalize only the first word of the title and subtitle, and any proper nouns (Sentence case).
- ✓ Title of Journal/Book: Capitalize all major words (Title Case) and italicize.
- ✓ DOI/URL: Present DOIs and URLs as full hyperlinks (https://doi.org/...). Do not place a period after the DOI/URL.
- ✓ Hanging Indent: In the reference list, format each entry with a hanging indent (0.5 inches / 1.27 cm).
