Gujarat Agricultural University Research Journal

July, 1988
Vol. 14, No. 1

CONTENTS

Improvement in mass rearing technique of green lacewing, *Chrysopa scelestes* Banks (Neuroptera : Chrysopidae).
A. G. Patel, D. N. Yadav and R. C. Patel .. 1

Biology of *Oligonychus mangiferus* (Tetranychidae : Acarina), a pest of mango in Gujarat.
A. B. Rai, A. H. Shah and R. N. Patel 5

Biology of yellow rice stem borer *Scirpophaga incertulas* (Wlk.) on rice.
D. M. Korat and C. B. Patel 11

Effect of inoculation N and P fertilization on yield and yield attributes of greengram var. Gujarat-1 (*Vigna radiata* (L.) Wilczek).
R. R. Patel, J. R. Patel, V. V. Sonani and G. V. Sasani 17

Water harvesting potentials in some areas of North Gujarat– an agroclimatic approach.
Vyas Pandey and R. R. Patel 23

Response of blackgram (*Vigna mungo* L.) genotypes to row spacings and fertility levels in summer season.
S. S. Tomar, R. K. Sharma and S. S. Rathore .. 27

Study on sugar and amino acids composition of *Prosopis juliflora* pods.
P. M. Talpada and P. C. Shukla 32

Knowledge test to measure the knowledge of groundnut growers about plant protection measures in groundnut.
V. C. Bhalara and K. G. Halyal 36

Post harvest behaviour of banana bunches of Cv. basrai in response to certain chemical and packing treatments.
D. V. R. Rao and B. S. Chundawat 42

Editorial Board

Dr. K. Janakiraman (*Chairman*)
