CONTENTS

Hybrid vigour and inbreeding depression for fruit yield and its components in Okra (*Abelmoschus esculentus* (L.) Moench) 1
D. N. Thaker, S. B. S. Tikka and K. K. Patel

Studies on the relative efficiency of Bajra (*Pennisetum typhoides*) and Guar (*Cyamopsis tetragonoloba*) varieties under dryland condition
R. R. Patel, G. L. Maliwal, J. R. Patel and C. B. Shah 5

Efficiency of different lining materials to check seepage losses
C. B. Shah, G. L. Maliwal, B. P. Padhiyar and B. K. Bhadiadra 13

Planning of kit demonstration programme
N. C. Patel and D. N. Pandya 17

A study on the follicle traits and their association with wool traits in Patanwadi sheep
R. R. Shah, K. N. Vyas and R. K. Shukla 23

Keeping quality of butter in relation to its copper content
S. M. Chaudhari, S. H. Vyas, K. G. Upadhyay and P. N. Thakar 28

Short Communication

Note on response of Pearl Millet 'HB-3' to different row spacings under dry farming conditions
M. T. Parmar, V. J. Paida and S. G. Sadaria 35

Biology and estimation of incidence of groundnut leaf-miner *Stomopteryx subsecivella* Zell. (Gelechiidae: Lepidoptera
M. N. Kapadia, R. K. Bharodia and V. J. Vora 37
